

Seeking Lots for Plots!

Donate your vacant lot and we'll turn it into a Community Garden!

We are looking to create **3** new community gardens on vacant lots in food desert neighborhoods (over 2 miles from a grocery store) around the Anchorage Municipality.

 **Size Preference:** 50 ft x 100 ft (5,000 sq ft), but any size will be considered!

 **Access Preference:** Low traffic road with some space for parking.

 **Water Supply:** Water source is on the lot or close by.

 **Fencing:** Any kind of fencing of the lots is preferred, but all lots will be considered.

 **Commitment:** Minimum 5 years.

Vacant lot at I Street is now a vibrant Community Garden!

Lot Owner Benefits!

- ✓ Tax write off from NeighborWorks
- ✓ Gardens will be insured by NeighborWorks, not homeowners
- ✓ Beautification of your lot
- ✓ Create a neighborhood gathering place
- ✓ Create a teaching garden
- ✓ Help with food security

Interested? Email us at: anchorgardensanc@gmail.com

Our mission is to make gardening resources and expertise accessible to everyone in the Municipality of Anchorage regardless of income or home ownership status, in order to create food security and more resilient neighborhoods.
